## QUALIFICATIONS

Highly focused and responsible student excited to actively contribute to the company, self starter with good communications skills, and an excellent work ethic.

**Communications:** Friendly and helpful attitude is how I like to approach tasks.

**Teamwork:** Able to apply lessons learned as an intern at an advertising agency to support all team members in assigned tasks and projects.

**Mathematics:** A+ math student, will help to ensure accuracy in order processing, cash handling, and credit transactions.

**Technical Proficiencies:** Solid command of Adobe Creative Suite (Photoshop, Illustrator, Animate, InDesign), Microsoft Word and social media platforms. Quick learner of new software.

## EXPERIENCE

**Intern | June - August 2019 | Insight Creative, LLC**

My job duties included creating and posting for clients social media accounts, proof reading projects before going to the client, and running office errands.

I learned a lot about how an advertising agency works and the fast paced turn around times for projects.
